

# Carolinas Health Ministry Partnership\*\*

## Mission Statement

The mission of the Carolinas Health Ministry Partnership (CHMP) is to engage, educate and empower people of faith to be passionate and effective leaders for creating healthier communities.

## Purpose

The purpose of the CHMP is:

- To encourage and support the development and sustainability of health ministries in communities of faith throughout North and South Carolina.
- To promote professional growth and fellowship by providing educational and research opportunities for members of the organization.
- To provide opportunities to collaborate and to connect with peers.
- To link members with local resources that support the work of health ministry.

**Networking and Sharing**

## **Educational Opportunities**

CHMP is affiliated with the National Health Ministries Association (HMA), the professional organization for faith community nursing.

The ANA recognizes HMA as the professional membership organization representing the nursing specialty of Faith Community Nurses.

CHMP provides members opportunities for continuing education, networking, sharing of resources and spiritual renewal retreats.

*\*\*formerly the
