Faith Community Nursing

Faith Community Nursing (FCN) is the specialized practice of professional nursing that focuses on the intentional care of the spirit as a part of the process of promoting *wholistic* health and preventing or minimizing illness in a faith community.

Faith community nurses claim a professional practice grounded in the hope and capacity building that focuses on the intentional care of the spirit.

Continuing Education

Nurses: Applied for **33.0** contact hours through Lexington Medical Center.

SC FAITH COMMUNITY NURSES ASSOCIATION PRESENTS

Faith Community Nursing Foundations Course

Thursday, March 7 through Saturday March 9, 2019

Come learn how to use your professional nursing knowledge and skills to deliver care to the whole person...body, mind and spirit...within a faith community setting. Foundational preparation for the faith community nurse (parish nurse, congregational nurse)

Contact hours applied for through Lexington Medical Center

Foundations in Faith Community Nursing Course

Course Instructor: Alyson J. Breisch, MSN, RN-BC is the course instructor. Alyson completed a Post-Master's Certificate in Health and Nursing Ministries at Duke Divinity School and School of Nursing and directed that graduate degree program for 8 years. She developed foundational curricula for faith community nursing and health ministry leadership and has taught health ministries and faith community nursing for the past 17 years.

Alyson is a Commissioned Minister of Congregational Health in the United Church of Christ denomination. She was employed as the Parish Nurse at United Church of Chapel Hill, NC for 17 years and as the Director for Congregational Care from 2017 to 2018.

Alyson was the on the Health Ministries Association Board as Director for Practice and Education and was lead editor for revision of *Faith Community Nursing Scope and Standards of Practice*, 2nd edition, and 3rd edition. She achieved ANCC certification by portfolio in faith community nursing in 2015. In 2017, Alyson received HMA's Wilkerson-Droege Award in recognition of her vision, creativity and faithfulness to the faith and health movement.

Course Goal: To gain the foundational principles and practices of health ministry and faith community nursing in order to prepare the registered nurse to function as a faith community nurse within the context of a faith community

Sample of Topics:

- History of health ministry and faith community nursing
- Models and roles of FCN practice
- Legal and ethical issues
- Care team development
- Health promotion
- Resources for the FCN

Enrollment Requirements:

- Registered nurse with a current license
- Commitment to physical, spiritual mental and emotional health
- Commitment to course completion
- Commitment to use the course information in service to the faith community
